MANPOWER EMPLOYED BY STATE INDUSTRIAL ENTERPRISES IN HUNGARY

Radio Free Europe Item No 2344/55
29 Mar 1955, Frankfurt

The following report gives official statistics on the manpower employed by the state industrial enterprises of Hungary in 1953 and 1954. The figures were published in a supplement to Magyar Gazdasagkutato Intezet Kozlemenyei (Report of the Hungarian Institute of Economic Research), dated 15 November 1954. The report groups the employees according to industry and work assignment as of 30 September 1954.
